25X1 10. [] Met with William Devereaux in the
office of Representative John Rousselot (R., Calif.), and gave him a
25X1 listing prepared by [] of the full names of the press
services and some of the major newspaper names encountered in the
Soviet Union and Eastern European Daily Reports. Mr. Devereaux
much appreciated this helpful response to his request of 22 February.

25X1 11. [] In keeping with arrangements made
by Mr. Carpentier, delivered a brochure on the Agency to Mr. Martino,
in the office of Representative Paul McCloskey (R., Calif.).

25X1 12. [] Ray Dotson, in the office of Representative
William C. Wampler (R., Va.), called to say that he just learned that

[] 25X1
[] is departing tomorrow for Bern where he will meet []
(who claims to have good connections in the Communist Bloc and is seeking
a large down payment for his services in connection with promised prisoner
release). This information was passed on to EUR Division.

25X1 13. [] Carl Marcy, Chief of Staff, Senate Foreign
Relations Committee, called and asked if the Director could give the Com-
mittee a world roundup briefing on Thursday, 4 March. I told Marcy the
Director already had a briefing scheduled for that date and hearings scheduled
on two other days next week so the 4th would be impossible. Marcy then
suggested Thursday or Friday, 11 or 12 March as alternative dates. I
told him I would check with the Director on this and be back in touch with
him.

Marcy mentioned that one of the members of the Committee had
written a letter to the Chairman asking that the Committee get a briefing
from Mr. Helms to include []

25X1C [] in view of the apparent reluctance on the part
25X1C of the Secretary of State to fully discuss all aspects of U.S. involvements
in Indochina.
